A- 15 -2020

4 May 2020

ADVISORY

MANDATORY QUARANTINE AND COVID-19 TESTING FOR ALL ARRIVING PASSENGERS IN THE PHILIPPINES

Pursuant to the Inter-Agency Task Force for the Management of Emerging Infectious Diseases Resolution No. 30, Series of 2020, issued on 29 April 2020, all Filipino citizens arriving in the Philippines from overseas will be required to undergo facility quarantine for up to 14 days and/or COVID-19 testing upon arrival.

Further, all arriving passengers should expect significant delays in travelling to their final destinations outside Metro Manila in view of limited transportation options resulting from the Enhanced Community Quarantine in Metro Manila and in different regions, provinces and cities throughout the country. Prospective travelers are, therefore, advised to postpone or delay non-essential travel to the Philippines.

Only Filipino citizens, their foreign spouse and children, accredited foreign government and international organization officials, and foreign airline crew remain eligible to enter the Philippines.

Please be guided accordingly. END
