ADVISORY

**FRIENDS/FAMILY/COMPANIONS OF CLIENTS
ARE NOT ALLOWED INSIDE THE PCG**

The Philippine Consulate General (PCG) in Calgary has observed that some passport applicants continue to bring their friends/family members/companions who do not have passport appointments when they come to the PCG for passport renewal, despite the PCG's previous advisories on companions not being allowed entry to the PCG (except for minors/pregnant women/PWDs/seniors, who are allowed one companion per client).

The PCG wishes to remind applicants that it is their responsibility to ensure that only themselves will be arriving at the Centre 10 Building, where the PCG is located, on the date and time of their appointment.

Applicants are also requested to respect and comply with the COVID-19 health protocols and indoor capacity restrictions set by the PCG, Centre 10 Building, and the Government of Alberta. With the increasing cases of COVID-19 in Alberta, the PCG will continue to implement these measures to ensure the safety of its clients and personnel.

The PCG again reminds the public of its “No Appointment, No Entry” and “No Walk-in” policies in line with its commitment under the Relaunch Strategy of the Alberta Government to prevent the spread of COVID-19.

Only applicants with confirmed appointments will be allowed entry to the PCG. Those without appointments will be asked to return when they have already secured appointments regardless of their place of origin.

For any questions or concerns, please email calgarypcg@gmail.com.

Thank you for your understanding.
