

Advisory on the Issuance of Mortuary Certificate

It has come to the attention of the Philippine Consulate General (PCG) that certain funeral homes erroneously claim that it takes the PCG three weeks to process Mortuary Certificates.

Please be informed that the PCG processes and releases Mortuary Certificates in **three (3) working days**, even less in emergency situations, after submission of COMPLETE DOCUMENTARY REQUIREMENTS. The requirements are listed at the PCG website under *Civil Registration – Report of Death* at www.philcongencalgary.org/civil-registration-report-of-death

The public is advised that the time it takes funeral homes to obtain legal documents from local authorities concerning the death of a Filipino national is separate from the processing time at the PCG.
Thank you.
